Hebrews 11:5-7 By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God. But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. By faith Noah, being warned of god of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of righteousness by faith.

### IDENTIFY AS A MEMBER

This pewter American Flag pin is a unique way for members to show their affiliation with the LVA. Lots of people wear 'flag' pins. But no one wears

this one... except LVA members.

These pins are available to members only. A donation of \$3.00 per pin, or two for \$5.00 is requested.

Available at the Member Services Table

### LVA Net

The LVA Net is activated every Wednesday at 8pm. All licensed and unlicensed members with radios are requested to tune in to the net and check in when requested. Unlicensed members should be checking in on FRS4 and licensed HAM operators should be checking in on the HAM VHF Primary frequency.
