These pins are available to members only. A donation of \$3.00 per pin, or two for \$5.00 is requested.

The LVA Net is activated every Wednesday at 8pm. All licensed and unlicensed members with radios are requested to tune in to the net and check in when requested. Unlicensed members should be checking in on FRS4 and licensed HAM operators should be checking in on the HAM VHF Primary frequency.

Mathew 5:14, You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven
