### IDENTIFY AS A MEMBER

This pewter American Flag pin is a unique way for members to show their affiliation with the LVA. Lots of people wear 'flag' pins. But no one wears this one... except LVA members.

These pins are available to **members only**. A donation of \$3.00 per pin, or two for \$5.00 is requested.

Available at the membership table.

The LVA Net is activated every Tuesday at 8 pm. All licensed and unlicensed members with radios are requested to tune in to the net and check in when requested. Unlicensed members should be checking in on FRS4 and licensed amateur operators should be checking in on the ham VHF primary frequency.
